TRICARE Prime Remote

Enrollment Process:

- TRICARE Prime Remote eligible beneficiaries must complete an enrollment form, which may be
  - Submitted to the regional contractor via mail
  - Submitted to the local TRICARE Service Center
  - Accomplished online via the Beneficiary Web Enrollment Website

- Family member enrollment in TRICARE Prime Remote follows the **20th-of-the-month rule**
  - When the enrollment form is submitted before the 20th of the month, Prime coverage begins on the first day of the next month
  - When the enrollment form is submitted on the 21st through the end of the month, Prime coverage begins on the first day of the second month

  NOTE: The 20th of the month rule does not apply to active duty service members; active duty service members are enrolled immediately

Seeking Care When Enrolled in TPR

- TPR network PCM must be used if available

- Medical care for TPR enrollees may be sought from a network provider; if none are available, they may go to a local civilian TRICARE-authorized provider
  - See Module 3, "*TRICARE Options*" for information on provider types

- Enrollees simply show their Uniformed Services Identification Card at the time of their appointment

- Network providers submit claims for treatment rendered directly to TRICARE

- The Service Point of Contact (SPOC) is a person or uniformed services office responsible for coordinating civilian health care for TPR enrolled active duty service members

- The SPOC reviews requests for specialty and inpatient care to determine how it might affect the active duty member's fitness for duty based upon current service-specific guidelines and clinical standards
